ST MICHAELS WELCOMES ALL AGES

The church school offers programming from September through June each year during the 10 am Sunday service.

Children and Youth Programs

Sunday School provides a safe a welcoming environment for children to explore the meaning and mystery of the Bible and how it relates to their lives. The curriculum used is Seasons of the Spirit multi-age curriculum <http://www.seasonsonline.ca/index.php>. The weekly lesson plans contain a story and a variety of activities and crafts that the children really enjoy. The children attending typically range in age from 3 to 12 years.

The children begin the service with the congregation and then move on to Sunday School after the Collect. They return for communion and to share with priest what they have done. This helps to keep the children connected with the congregation.

The children also participate in numerous activities outside of the regular Sunday School routine. Some of these activities have included:

- pageants at Pentecost and Christmas
- making artwork for display at an art exhibit
- running a cookie and lemonade stand, and a toy table, at church garage sales
- an Advent-ure Saturday with other congregations
- cookie sales to raise money for Haiti relief
- baking muffins for the Algonquin College Ministry
